Early Years Updates 2021-22

Programme Objectives:

This programme is designed to develop the skills and knowledge of EYFS practitioners. They will have the opportunity to work with other schools and practitioners and learn about curriculum development, assessment & recommended resources and practice from the respective settings. Delegates will also consider the use of evaluation and other data to plan improved provision.

At each session delegates will be provided with:

- Up-to-date information on current EYFS developments and national & local issues.
- Opportunities for discussion & the sharing of practice and strategies.
- A focus on one core CPD theme (see below).
- Opportunities to explore practice & practical activities and resources to support teaching of the specific core theme in both indoor and outdoor environments.
- Discussion around the use of tools to audit the effectiveness of practice & provision and share research and further reading.

Core CPD Themes

Session 1

Engaging with pedagogical documentation: responding to new statutory guidelines for assessment

Session 2

Exploring 'working theories': supporting all children to learn in more depth

Session 3

Curriculum design in the Early Years

The facilitator for this training is **Amanda James, Lead Consultant, EYITT Programme**

"She was knowledgeable, friendly and receptive to ideas..."

"A very informative and helpful course, which was delivered well."

"Lots of information about the changes and implementation of the new EYFS framework."
