English & Maths Subject Leader Updates 2021-22 (Joint Sessions)

Aims of the Sessions:

- To develop the skills of the subject leader.
- To increase leaders' subject knowledge of maths and English.
- To update subject leaders on current developments in maths and English.

Course Content:

This programme of termly updates aims to give subject leaders a chance to meet together, build up their knowledge and leadership skills, and remain abreast of local and national news, materials and resources.

Sessions will include the sharing of local and national materials and resources supporting our developing understanding of English and mathematics mastery practice. Sessions will also cover, when appropriate, any developments in KS1 & 2 testing, assessment and Ofsted.

Key principles of teaching will be also be explored and exemplified in both Maths and English.

The facilitators for this training are **Jonathan Bond & Gill Haysham, Independent Consultants**

"Always highly informative as well as highly motivational."

"Both Jonathan and Gill are a delight and never fail to put a smile on our faces. True pros at work"

"Excellent, very clear and very useful and relevant, particularly in current climate."
