English & Maths Subject Leader Updates 2023-24 Primary Phase – Joint Sessions

Aims of the Sessions:

- To develop the skills of the subject leader.
- To increase leaders' subject knowledge of maths and English.
- To update subject leaders on current developments in maths and English.

Course Content:

This programme of termly updates aims to give subject leaders a chance to meet together, build up their knowledge and leadership skills.

Sessions will include the sharing of local, national and international research, materials and resources supporting our developing understanding of English and mathematics mastery practice. Sessions will also cover, when appropriate, any developments from the DfE, the EEF and Ofsted.

Key principles of teaching will be also be explored and exemplified in both Maths and English.

The facilitators for this training are **Jonathan Bond & Gill Haysham, Independent Education Consultants**

"Always well-presented and very informative in line with current trends, thoughts and research."

"Fantastic delivery, so informative with lots of humour."

"Very knowledgeable and shared with us in an easy-to-understand manner. Always enjoyable and really worthwhile sessions; Gill and John are fantastic trainers/presenters - they keep us informed and entertained, whilst getting the job done!"
