Maths Subject Leader Updates 2023-24

Primary Phase – Single Subject Session

Aims of the Sessions:

- To develop the skills of the subject leader.
- To increase leaders' subject knowledge of maths.
- To update subject leaders on current developments in maths.

Course Content:

This programme of termly updates aims to give subject leaders a chance to meet together, build up their knowledge and leadership skills, and remain abreast of local and national news, materials and resources.

Sessions will include the sharing of local and national materials and resources supporting our developing understanding of mathematics mastery practice. Sessions will also cover, when appropriate, any developments in KS1 & 2 testing, assessment and Ofsted.

Discussion and in depth exploration of the topics covered as well as some additional content.

The facilitator for this training is **Gill Haysham, Independent Consultant**

"Brilliant, relaxed, relevant, adaptive as always."

Gill's passion really shine through and made the course engaging

"Always informative and useful. Also resources and information that are useful to staff and impact school practice."
